THANK YOU

FOR SUPPORTING US!

A Heartfelt Thank You....

The 2023 Archway Charity Golf Tournament – Covid & Pipeline Free edition – is wrapped and in the rear-view mirror.

We are thrilled with the results of the 6th Annual - Archway Charity Golf Tournament! A recording-breaking field of 144 Golfers, 36 partners, and 45 generous sponsors have left us feeling connected & supported by a community we care so deeply for! It's obvious to us that you care too!

The past year has been another extraordinary one for Archway and the community we serve. Your belief in the work we do is greatly appreciated. We say this every year because it means so much to us: as our Sponsors and Partners, you are vital to the success in funding programs for children, families, and seniors. Without you, we could not have blown the doors off the 2022 tournament results of \$70,000.00.

YOU helped us raise \$101,500! WOW!!

This year, \$4,700.00 has been specifically directed to Archway's *In It Together* program, which focuses on interrupting the flow of young people into organized crime or gangs.

On behalf of the Golf Committee, Board of Directors, and Archway staff, I want to extend a heart-felt thank you for helping make this event so financially successful. It was the vision of the Board of Directors and the Golf Committee to engage and inform participants – foster an understanding of what Archway Community Services does and who we are. And... it was great to see new and familiar smiling faces out there for an in-person banquet!

About Archway Community Services

Helping people in our community has been our focus for 50+ years.

Each year thousands come through our doors looking for help from one or more of our 90 programs. When we see members of our community in need, we aim to provide them the best support possible, empowering them to thrive in their own lives.

Who We Help

Your sponsorship and support allows us to do valuable and needed work in our local community.

- Young moms and dads come to us for support and learn how to effectively parent and care for their growing families.
- Newcomers come to us for help with English language classes and support as they settle into their new home.
- Seniors come to us to participate in fun and friendship at weekly gatherings, or to find information and resources.
- Women and children come to us who have experienced the trauma of sexual abuse or domestic violence and need help with counselling and court procedures.

Plus so many others looking for help.

The truth is, I would not be the stable mother I am today without the support at Best for Babies.

Client, Best for Babies

Here in Canada people cared. You have changed my life – and you have changed my family's life too.

Navor, Legal Advocacy for Agricultural Workers

Being a volunteer has given me more than a job; it has kept the loneliness at bay in my own life.

Volunteer, Seniors Services

It doesn't matter how broken you think you are; there is restoration.

Client, Abuse Counselling

WE CAN'T DO IT WITHOUT YOU!

We are less than two weeks away! 🎉 🎉

We are excited to announce the return of some fantastic hole sponsors for this year's event! As golfers take part in our charity golf tournament, they will have the opportunity to meet representatives from the [Kiwanis CLUB of Clearbrook](#), [Soroptimist International of Abbotsford-Mission](#), [Abbotsford School District](#) and [Tom Harris Family Fund \(Tom Harris TELUS & Koodo Stores\)](#).

[Verbeek Pallet Supply Co Ltd](#) is once again sponsoring a hole to showcase an Archway Program. This gives golfers a chance to learn about one of the programs they are directly supporting through the tournament.

Thank you to all our hole sponsors for making this a fun and informative event!

Archway golf tournament raises more than \$100K

Archway Community Services raised \$101,500 for local community programs at its recent sixth annual charity golf tournament.

The Archway Golf Tournament, presented by Sutton Group-West Coast Realty Abbotsford, was held Tuesday, June 20 at Ledgeview Golf and Country Club.

A record 144 golfers at the sold-out tournament enjoyed lunch, a friendly competition of golf and a dinner banquet. Several Archway programs were featured on the course, allowing golfers the chance to see the breadth of programs offered for people from all walks of life.

"Being able to hit the six-figure mark in our sixth year feels like it was meant to be," said Steve Carlton, Archway board president and golf committee chair.

"These funds will have a huge impact on the types of services we can provide for youth, seniors, families, newcomers and more. Support from sponsors, partners and community mem-

bers was pivotal to achieving this milestone."

Programs supported by the fundraiser include Meals on Wheels, Foundry, Family Centre, Refugee Resettlement and more.

An on-the-hole fundraiser raised \$5,000 specifically for In It Together, an anti-gang program aimed at disrupting the flow of young people into organized crime.

"We're so thankful to our community for supporting us in so many different ways," said Jennifer Willford, Archway manager of philanthropy. "Donations received at this event help fill the gaps for existing programs and allow us to meet needs as they arise."

The funds and support came from over 50 sponsors, partners and donors, plus an online auction and 50/50 raffle.

The 2022 tournament raised \$75,000. Since its inception, the tournament has raised more than \$400,000 for Archway programs and services.

EVENT DAY

ABOUT THE IMPACT YOU HELP MAKE

During the tournament, you met a few Archway Programs. Here's what they wanted to you to know...

Senior Services

Meals on Wheels has provided around 10,000 meals over the last year, both fresh and frozen for those individuals in Abbotsford who have a hard time shopping or preparing food for themselves. Approximately 40% of the Meals on Wheels clients are provided meals free of charge as the rising costs of living impact seniors abilities to eat nutritious food every day. Funds raised through the golf tournament help ensure that our program works towards no senior going hungry in Abbotsford.

The Income Tax program provides free tax support for seniors with simple tax returns. Between February and May 2023, the program helped 525 seniors file their taxes. This program is also generously supported by Archway Golf funds and public donations.

Archway Community Van program provided 969 rides in the past year to over 300 individuals. Of the 300+ clients served, 64 of them were over the age of 80 and 86 were 66-70 years of age.

Statement of impact from a client who uses the service three times a week

"Since having brain surgery, I have not been able to drive because of dizziness, blurred vision, and nausea. This program has been absolutely life-changing for me. I've been able to take care of my health and manage my pain."

The Abbotsford Mission Recycling Education Program connects with over 2,000 school-aged students and about 3,000 community members to deliver environmentally-focused education annually. We partake in most community events and engage with the public to test their knowledge—do they know where their recycling goes and what happens to it?

In 2022, the Education Program developed a new set of on-site workshops that showcased our local recycling facility, the importance of proper sorting practices, and various educational activities they could partake in to create a more sustainable future.

Archway Urban Farm is a developing program and working to build capacity with regards to Food Security in the community. Thanks to funders, we hired a permanent Community Coordinator who's working on educational experiences for clients, schools, and the public. Our goal is to give people a chance to experience fresh local vegetables - whether it's through eating or growing them, or just seeing them live on a farm. Funding has allowed us to move and expand this spring, and create bold goals for the seasons to come. Keep your eyes peeled for what we're doing next!

Youth Resource Centre - We are very thankful for the golf funds we have received. They allow us to increase counselling hours in our Basic Lifeskills Training program. These hours are used for a therapeutic music program. Youth learn to play an instrument or sing and pursue the music they like, including song writing and recording music.

The funds also allow us to support youth and families with individual needs. This might mean a bed or bedding for one youth, helping with a vet bill for another youth, taking a youth out for a celebratory lunch when a milestone was achieved or being able to offer a more expensive recreation group outing.

Foundry

Foundry Abbotsford provides low barrier Primary Care, mental health, substance use, social service and peer support for youth 12-24 and we are grateful for the ongoing funds received from the golf tournament. Since Covid, with increasing demand, these funds have enabled us to increase our Medical Office Assistant hours and maintain the nursing hours for our Monday clinic. With the expansion of our Peer Support Program, golf funds also allow for outreach activities that assist with youth engagement.

Between April 2022 and March 2023, 1,271 youth accessed service for the first time at the Foundry Abbotsford.

Food Bank

Archway Food Bank has been working to address food insecurity in our community for over 50 years. Each year, we see the demand for our programs continue to rise. Last month, we served 4,370 unique individuals, that's almost 50% more people than a year ago. Families with children and seniors are the fastest growing demographics to access food at the Food Bank. Our programs not only ensure the right to food but also empower the community through engagement and advocacy. The Food Bank partners with over 20 different community organizations to enhance our ability to reach everyone in our community impacted by food insecurity. Your generosity will make a profound difference in the lives of individuals and families. Strengthening our local food system, increasing access to food, and empowering individuals through nourishment takes our entire community. Thank you for being an essential part of this journey.

Family Centre and the Best for Babies

These programs continues to be one of the community's primary resources in providing culturally sensitive Family Resource Programming and perinatal supports to help improve the health of expectant and new parents, their partners, and their children. As we struggle to keep pace with current family needs, our programs rely on generous community donations and fundraised dollars to continue at our current service levels to serve families in Abbotsford, especially as their needs continue to rise. Last year our Family Centre Drop In programs alone served 376 children and 360 adults that made 2,668 visits to connect with one another. Best for Babies nurtured 169 pregnant parents providing pre and post natal nutrition education and pregnancy support with 106 babies born. Supportive funding that comes from the golf tournament has allowed us to purchase food so we can continue serving nutritious meals and snacks at Best for Babies and has contributed wage support to maintain current service levels for our Family Centre team. This doesn't just have an impact on the families we serve, it is an encouraging boost for the staff that are working hard to provide the supports. Donor giving makes our load a little lighter!

All of our staff want you to know: that it was a privilege to welcome you to the Archway Golf Tournament. The Archway Golf Tournament provides a fabulous opportunity to say thank you in person to our donors and share information about who we are and what you are supporting through your participation. We are thankful to be able to engage and connect with local donors who support our mission, our vision and our values as we continue to serve children, families, youth and seniors through our programs in such a generous community.

Thank you for being a Community Champion!
