**Re** **Yale Secondary School Senior Boys Rugby Team – Tier 2 Provincial Championship**

---

This report is presented to the Board for information.

**BACKGROUND:**

The Yale Senior Boys Rugby went 10-3 on the season. The boys went 4-1 in league play and lost a close match in the Eastern Valley (EVAA) final. The loss in the EVAA final put the team in Tier 2 for the provincials as a #6 seed. The team played their best three games of the year at the provincials with convincing wins over Mount Boucherie, Riverside and Abby Senior to claim the Tier 2 championship. Principal Rob Sloboda and Head Coach Greg Byron will accompany a few of the key grade 12 senior players.
