Re School Presentations – Aberdeen Elementary and Chief Dan George Middle

This report is being presented to the Board for information.

BACKGROUND:

To deepen the understanding and connection between the Board's activities and the district's core mission of preparing students for a lifetime of success, *School Presentations* will serve as a standard feature at Public Board Meetings and are scheduled for the next two years. This strategic initiative provides a dynamic and interactive forum for our staff and students to showcase innovative work happening in our schools, highlighting how efforts contribute to student achievement and align with operational plans.

The following schools will be present at the February 2024 Public Board Meeting:

- **Aberdeen Elementary:** Staff and students from Aberdeen will provide Trustees with insight into a program being implemented to enhance student well-being through targeted teaching methods and positive behaviour supports. Students will share how they became involved in WITS kids and will showcase projects they are working on. Principal Melissa Wilsdon will accompany the students.
- **Chief Dan George Middle:** Students from Chief Dan George will share an update on their upcoming school play, Aladdin, and will discuss the preparations and collaborative efforts that make this production a highlight of the school year. Principal Jamie Beck and Vice-Principal Melanie Trudeau will accompany the students.
