From Sean Nosek, Superintendent/CEO
Re: **Uncertified Employees Teaching on Call (UETOCs) Update**

This report is presented to the Board for information.

BACKGROUND:

Since February 2024, twenty-eight (28) Uncertified Employees Teaching on Call (UETOC) were hired to help us cover teacher absences on the specific occasions where our TTOCs deployment cannot meet the demand. The selected candidates were chosen from a pool of 138 candidates and were subsequently provided training to prepare them for supervising students and facilitating classroom instruction.

Most, if not all, are interested in becoming fully qualified teachers. The UETOCs identified their level of preference (elementary, middle, secondary) and are placed in their preferred area when possible.

The feedback on the UETOCs has been tremendously positive. The UETOCs have been deployed 635 times since February, effectively keeping our helping teachers and administrators in their own positions. At the same time, our students are continuing their learning opportunities, and the UETOCs are gaining valuable classroom experiences.
