To Board of Education (Public Meeting)
From Ray Velestuk, Secretary-Treasurer/CFO
Re Board Policy 18 – School Catchment Areas

RECOMMENDATION:

THAT the Board of Education approve proposed revised Board Policy 18 - School Catchment Areas, as presented.

BACKGROUND:

Changes to Board Policy 18 – *School Catchment Areas* were presented at the January 23, 2024, Board meeting.

The policy changes align with the new school-of-choice provisions in the *School Act* enabling First Nations to decide which school First Nations students who live on reserve, self-governing or Treaty Lands, will attend.

Other proposed changes clarify the registration timelines and the process for registration in district programs.

As agreed to at the January 23rd Board meeting, and in accordance with Board Policy 10 - *Policy Formation and Review*, the proposed revised Policy 18 was posted to the School District's website for a consultation period.
