					Our oldest is in Grade 5 at Barrowtown and is the only child leaving at the end of this school year, if a plan would be in place before the next school year starts would be great or we would have to use the grandfather clause for our youngest who's in grade 3. Thanks.
3-8-24 13:10:37	anonymous	I have a child in elementary school	Yes		Would be great if upper sumas and barrowtown could make their own independent choice to change and not make it a group choice together. Thanks.

3-8-24 16:20:07	anonymous	I have a child in elementary school	Yes		I think Fraser / Yale are a great option for families living in the Barrowtown area because when students have appts, need to be picked up early, as well as when they start to drive in high school the commute is much easier not relying on hwy one. Which in recent years is more of a mess and delays than not.
